COMPANY OVERVIEW

Established in **2008**, **Prabhat Steel** has been a trusted name in the supply and manufacturing of all kind of Ferrous and Non-Ferrous Raw Materials. We specialize in providing customized die solutions in all shapes and sizes, meeting the unique needs of our clients.

At Prabhat Steel, we offer an extensive range of hardware, including stainless steel (SS) and galvanized iron (G.I.) fasteners, VHB tape, measuring tapes, wire ropes, welding rods, and much more, ensuring a one-stop solution for all your hardware requirements.

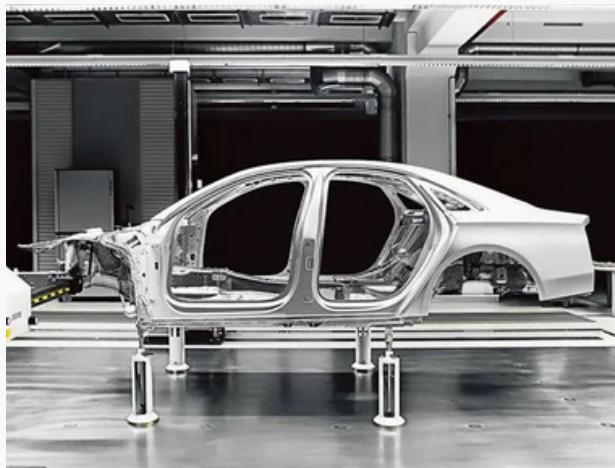

About Us

We also cater to the fabrication of stainless steel items across all grades, including 202 and 304, delivering precision and quality for a wide array of industrial and commercial applications. Our dedication to excellence and customer satisfaction has made us a preferred partner in the industry.

BUSINESS OVERVIEW

Supply in Pharmaceutical IND.

In the pharmaceutical industry, aluminum is used for packaging (e.g., blister packs) to protect medications, while stainless steel is used for equipment like mixers and storage tanks due to its durability, corrosion resistance, and easy cleaning. Both materials ensure safety, hygiene, and product integrity.

Supply to Automotive IND.

Aluminum is widely used in the automotive industry for its lightweight, corrosion-resistant, and high-strength properties. It helps improve fuel efficiency, enhance performance, and reduce emissions. Common applications include body panels, engine components, wheels, and frames, making aluminum essential for modern, sustainable vehicle design.

Supply to Solar Industry

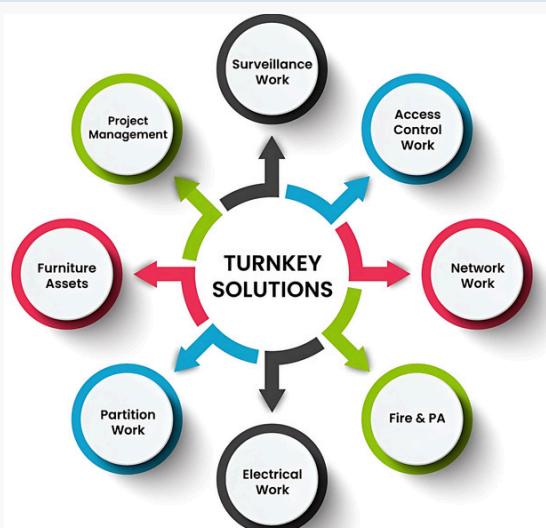

Aluminum is widely used in the solar industry for its lightweight, corrosion-resistant, and durable properties. It is primarily used in the manufacturing of solar panel frames, mounting systems, and supports, helping to ensure long-lasting performance and easy installation of solar energy systems.

BUSINESS OVERVIEW

Supply for Signage Projects

We are a leading supplier of high-quality signage aluminum sheets, specializing in materials ideal for letter making and custom signage solutions. With a reputation for precision and durability, we provide top-grade aluminum sheets that meet the unique demands of the signage industry.

Supply for Turnkey Projects

Prabhat Steel is a top supplier for turnkey projects, offering a comprehensive range of hardware products, including SS fasteners, tapes, P.U. sealants, and all required ferrous and non-ferrous raw materials in aluminum and stainless steel. We assure exceptional service and consistent quality, delivering every product needed for your project with reliability and precision.

Supply for Façade & Store Fixtures

Prabhat Steel is a leading supplier for façade and mall fixture projects, providing all materials in stainless steel, aluminum, GI, MS, CRCA, along with hardware and electrical components. We assure exceptional service and quality delivery, consistently meeting your company's precise requirements with precision and reliability.

OUR PRODUCT RANGE

Aluminium Sections

We offer a wide range of **aluminum Sections** and custom die solutions, ensuring top-quality products and excellent service:

- Round Pipe
- Rectangle Pipe
- Square Pipe
- Oval Pipe
- Flutted Pipe

Available in all sizes and thicknesses & Grades such as Commercial Jindal 6063 ETC, with customized solutions to meet client specifications.

Quality and service guaranteed.

Aluminium Sheets

We offer premium **aluminum sheets** in a variety of thicknesses and sizes, including 8 x 4 and 10 x 5, catering to diverse industrial applications:

- Available Sizes: 8 x 4, 10 x 5, and more
- Available in all Grades such as 6063,6082,1011,Etc.....
- All Thicknesses
- Used In:
 - Electrical panels
 - Letter making
 - Pharmaceutical and chemical industries
 - Various other industrial applications

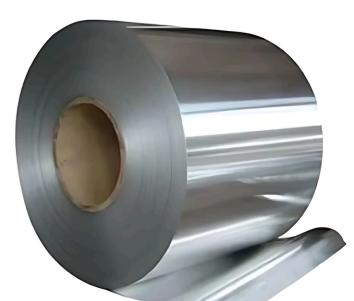

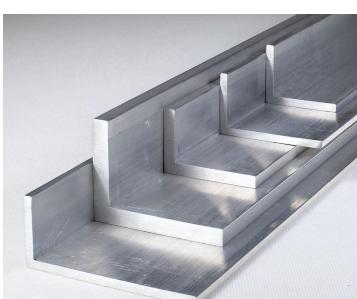

High-quality aluminum sheets designed for durability and performance across multiple sectors.

Aluminium Channels & Coils

We specialize in providing a wide range of **aluminum channels and coils**, including:

- Aluminum Channels: C, U, Equal, Unequal Angles
- Coils: Available in various grades, sizes, and thicknesses
- Custom Solutions: Die manufacturing as per client drawings and specific size requirements

We offer high-quality products tailored to meet the precise needs of your business, ensuring superior performance and reliability.

OUR PRODUCT RANGE

Stainless Steel Pipes

We offer a comprehensive selection of **stainless steel pipe** in various grades and finishes, ensuring top-quality products and exceptional service:

- Grades Available: 202, 304, 316, and more
- Pipe Types: Round, Square, Rectangle, Oval, and Custom Shapes
- Finishes: Mirror Polished, Matt
- Types: Seamless and Welded
- Sizes & Thicknesses: Available in all sizes and thicknesses to meet specific requirements

High-quality stainless steel pipes for diverse industrial applications, with customized solutions tailored to your needs. Quality and service assured.

Stainless Steel Fitting's & Flanges

We are a trusted manufacturer and supplier of high-quality **stainless steel fittings and flanges**.

We offer a wide range of products in grades 202, 304, 316 etc., including Blind Flanges, Threaded Flanges, Weld Neck Flanges, Elbows, Pipe Tees, Unions, and more. Forged for durability and precision, our products are ideal for various industrial applications, delivering superior performance and reliability.

Stainless Steel Rods and Bars

We offer a wide range of **stainless steel rods and bars** in various grades, ensuring top-quality products and exceptional service:

- Grades Available: 202, 304, 316, and more
- Types:
 - Stainless Steel Rods
 - Stainless Steel Bars
- Sizes & Thicknesses: Available in all sizes and specifications

High-quality stainless steel rods and bars for diverse industrial applications, with customized solutions tailored to meet your needs. Quality and service guaranteed.

OUR PRODUCT RANGE

Fasteners & Screws

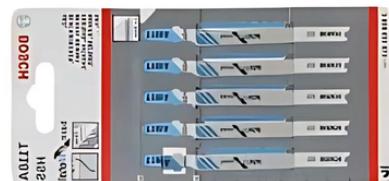

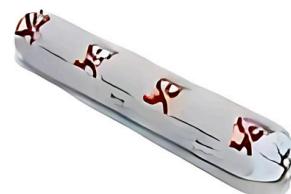

We supply high-quality fasteners in SS 202, 304 grades, and G.I., including hex bolts, SDS screws, anchor fasteners, and pin-type fasteners.

We guarantee reliable delivery and exceptional service to meet your fastening needs.

Hardware Product Range

Prabhat Steel caters to all your hardware needs, offering a wide range of items including Abro tapes, VHB tapes, P.U. sealant, measure tapes, indicator locks, door handles, brass hinges, cable ties, BOPP tape, welding rods, MIG wire, CO2 MIG wire, drill bits, Fevicol, wire tape, jigsaw blades, and more. We ensure reliable service and timely delivery for all your hardware requirements.

OUR VERTICALS

Manufacturing and Suppliers of all kind of Ferrous and Non-Ferrous Raw Materials and Hardware Items such as - S.S Fasteners, Anchor fasteners, Screws, Nut & Bolts, and Various other hardware items such as VHB Tape, Measure Tape, Drills, Welding Rods

Applicable Industries

Pharmaceutical
